July 16, 2020

1. Could you respond, whether the Bidder must have CAGE code, DUNS number or to be registered in the SAM system in order to take part in procurement or for providing future services??

A1. Bidders are not required to have a Commercial and Government Entity (CAGE) code or be registered in the System for Award Management (SAM). The successful bidder will be required to register for a DUNS number if they do not already have one.
